

BioMedica International Oncology Summit 2021

Making a difference in the
life of a person with cancer

REPLAY NOW AVAILABLE #BOS2021

The BioMedica International Oncology Summit 2021 brings together pre-eminent International and National speakers in the fields of oncology and natural medicine.

As the incidence of cancer continues to rise, there is an urgent need to ensure that patients are not only surviving cancer, but living well. Holistic and natural medicine practitioners are well placed to offer significant support to patients at every stage of their cancer journey.

The Summit is designed to equip practitioners with the knowledge and confidence to make a difference in the life of a person with cancer.
